

Ships on Stamps Unit Publications

Launching Your Ships On Stamps Collection

This 16-page publication is meant for the person who wants to know more about starting a ships on stamps collection. Each chapter showcases one of several types of ships found on stamps, collectible philatelic materials, catalogs, albums and other tools of the trade and a short section on the nomenclature of the sea.

Short Biographies of Ships On Stamps. (Names A-D)

This CD contains a short history of named ships that appear on stamps. An image is also included for many of these stamps. In addition, an index to all volumes of Watercraft Philately is included as well as other ship images and a small bibliography of useful books about ships. Either an Apple or Windows operating system with an internet browser and Adobe Acrobat Reader is required.

Watercraft Philately on CD-ROM. (Volumes 1-53)

This CD contains copies of these issues in Adobe pdf format. In addition, the Launching your Ships on Stamps Collection publication is also included as is an up-to-date index of named ships in these issues. Some additional files containing stamp images are also included.

Either an Apple or Windows operating system with an internet browser and Adobe Acrobat Reader are required

Ship Stamp Images on DVD. ***Vol 2 NEW NEW *******

Volume 1 (June 2009) contains over 10,000 stamp images while Volume 2 (June 2010) has over 4,000 images. They are in alphabetical folders by country. The stamp name is of the format country_Scott#_year of issue_ship name if available. Hints on how to use Apple iPhoto or Windows Photo Gallery are included.

Ship Stamp Discussion List Messages on CD-ROM.

This CD contains over 3,800 messages taken from the Yahoo! Ship Stamp discussion List. These include the descriptions of many ships, both on new stamps and also new information on previously published information. No editing has been done on these messages. Various formats will be included so that these can be imported into your e-mail program (Apple or Microsoft) or text editors or word processing programs.

Roster of Unit Members

Available to members only in either paper copy or via e-mail

Watercraft on Stamps. ATA Handbook 117

This 170-page handbook lists ships on stamps through the 1990 Scott's catalog. The Unit is able to offer this handbook to members only for the cost of postage and handling. This is a bargain but you should remember that the handbook goes only through 1990

Watercraft on Stamps. ATA Handbook 156 (** OUT-OF-PRINT, NOVEMBER 2009****)**

This 315-page handbook lists ships on stamps through the 1999 Scott's catalog. It also contains four supplements about ships that are illustrated using ships on stamps and exhibit pages showing the development of ships as shown on stamps. For more information please see the Unit web page at <http://www.shipsonstamps.org/Pub/Handbook156.pdf> or you can order directly from the American Topical Association at <http://americantopicalassn.org/handbooks.htm>

Compilation of New Issue Listings from Watercraft Philately Vol. 44-55

This is a compilation of all the New Issue columns that have appeared in Watercraft Philately from Volume 44 through 55. This should cover the period from the end of Handbook 156 to the middle of 2009. No editing has been done to this except to format the listings by country. Many of these entries include catalog numbers and almost all include the date of issue. This is available in paper, pdf or CD-ROM formats.
